Full-Service Option - Evening

This option may be added to the Wedding & Formal Reception Venue Rental. Stonebridge Manor will contract for the following services with individual providers on behalf of the Bride and Groom. Our Wedding Directors will schedule and coordinate meetings between the Bride and Groom and the service providers.

AISLE & TABLE DÉCOR

Fresh floral accents lining the Ceremonial march down the aisle and fresh floral centerpieces delighting each organza draped guest table topped off with china, silverware, stemware and white linen napkin.

HORS D'OEUVRES/BUFFET

At a private tasting with your Chef, you will create and customize a one-of-a-kind menu to astonish your guests. From a fabulous array of our Executive Chef-prepared cuisine, your final menu choices will include three Butler-passed Hors d'oeuvres, dinner salad, two entrees, two sides, bread & butter; creatively prepared and beautifully presented for buffet service.

(plated service available)

BEVERAGE SERVICE

For the first party that you will host as Husband and Wife, we will provide a four or five-hour open bar offering unlimited water, soda, choice of 2 additional non-alcoholic beverages, beer and wine and the traditional champagne toast. (Mixed drink packages available)

CAKE

We believe a wedding cake should taste every bit as good as it looks! To that end, we offer a wide selection of flavors, fillings, and frostings for your personally designed cake. Your baker will provide cake samples to taste as you describe and design your perfect wedding cake.

DISC JOCKEY / MASTER OF CEREMONIES

To set just the right tone, for just the right crowd, we offer a variety of DJ personalities to help coordinate and orchestrate your ceremony & post-ceremony Gala.

FRESH FLORALS

A wedding is not a wedding without the soft scene of fresh flowers. We recommend bouquets for the Bride; bouquets for the bridesmaids; boutonnieres for the Groom and groomsmen; corsages and boutonnieres for those closest to the Bride and Groom.

Flowers for the cake and rose petals for the flower girl.

PHOTOGRAPHY

Using a combination of traditional, contemporary, and photojournalistic styles, your photographer will provide six hours of continuous coverage to capture each unforgettable moment. In addition to all proofs, you will receive a 30-page, custom designed, leather-bound album including your selection of prints in choices of color, sepia and black & white. To break the ice prior to your wedding, your photographer will host an engagement photo session. One 8 x 10 photograph of your choice will be matted 16 x 20 and mounted for display at your reception.

OFFICIANT

To assume the responsibility of pronouncing you Husband and Wife, a non-denominational minister will be provided to personalize and design the "I Do's" of your dreams.
